Together we can make a Difference in our Community

Coalition Against Underage
Drinking

Make a difference with our teens and young adults in Carroll County

Maryland Strategic Prevention Framework (MSPF)

Is a grant funded by the Federal Government and awarded to Carroll County

The goals of this grant

- Prevent the onset and reduce the progress of underage drinking.
- Build prevention strategies at the community level.
- Partner with an established non-profit organization to increase awareness within the community .

Is our grant partner in Carroll County
Together we can combat:

Underage Drinking
Youth Binge Drinking
and

Alcohol Related Crashes
(Youth driving under the influence)

Who can make a difference?

Parents, Students, Educators,
Church and Civic Organizations,
Youth Organizations,
Local Government, Businesses
and Concerned Citizens of
Carroll County.

We Need Your Help

Together with **MSPF**, the **Community Media Center** and **You**, we can protect our youth from alcohol abuse. If you want to join this coalition please contact:
