

Third Public Hearing on Regulation Development for the Clean Indoor Air Act of 2007

DHMH has already held two public hearings on the Clean Indoor Air Act of 2007, the first on July 24, 2007 in Cambridge, the second on August 21, 2007 in Hagerstown. A third and final public hearing on the proposed regulations implementing the Clean Indoor Air Act of 2007 has now been scheduled. The hearing will review and invite public input on all aspects of the regulations. The hearing information is as follows:

Date: Thursday, November 8, 2007
Time: 1:00 - 3:00 PM
Location: State Office Complex Auditorium
300 West Preston Street, 1st Floor
Baltimore, Maryland 21201

This is a critical stage in regulation development, in other words, how can restaurants and bars get waivers to make them exempt from the Clean Indoor Air Act. So far DHMH has heard the opinions of the restaurant and bar industry. Now they need to hear how community people feel on these issues.

Please attend if you can.
**The State Office Complex is directly across the street from the
State Center Metro stop.**
