### ***We're On Our Way 2014***

The Partnership announces its 15<sup>th</sup> annual community health forum

**Westminster, MD** — (March 20, 2014) — The Partnership will host its annual community health forum, *We're On Our Way*, on Wednesday, May 14, 2014 from 8:00 to 10:30 a.m. at The Portico of St. John, 43 Monroe Street, Westminster.

This year's event highlights The Partnership's 15-year anniversary as an organization increasing capacity for health and quality of life in our community.

The program features presentations about the local Community Benefit and Health Improvement Plan, and about efforts to increase the number of Carroll residents who have health insurance coverage. The latest community health data will be presented in reports on progress in four core community health improvement areas: Access to Health Care, Behavioral Health, Chronic Disease Prevention and Intervention, and Elder Health. Included in the program will be an interactive drum and rhythm segment led by Playful Spirit Adventures, and recognition of outstanding contributors to our community's health.

Please plan to join us. *We're On Our Way 2014* promises to be an enjoyable and informative summary of this year's community health and wellness milestones.

Attendance is free of charge, and includes a complimentary hot, healthy breakfast. Space is limited, so register today at [www.HealthyCarroll.org](http://www.HealthyCarroll.org). The deadline to register for *We're On Our Way 2014* is May 5.

For more information, please call 410-871-7442.

*The Partnership for a Healthier Carroll County, Inc., an affiliate of Carroll Hospital Center and the Carroll County Health Department, is a private nonprofit organization working to improve health by **connecting people, inspiring action, and strengthening community.***
