

2016 *Healthy Community Vision* displays

What does a *healthy* Carroll County mean to you? Share your thoughts and ideas so we can team up to be the healthiest Carroll County possible.

Thank you to everyone who submitted comments on the Community Vision chalkboards stationed throughout Carroll County in recent months. Comments may still be entered by clicking [HERE](#) or visiting HealthyCarroll.org/healthy-community.

We have received an overwhelming number of responses! We're reviewing and evaluating these great comments and insights into what makes a healthy community. Results will be posted soon on HealthyCarroll.org.

Keep an eye out for the announcement of new locations in Spring 2017!
